RETURNED GOODS POLICY: Those products described in sub-paragraphs (a) and (b) below may be returned to Fisher HealthCare ("Fisher") within thirty (30) days of date of invoice for replacement or adjustment. To assure prompt handling, customer must obtain a returned goods authorization number from Fisher and reference this number on return shipping documents. Returns made without the authorization number will be returned to customer, freight collect. Fisher reserves the right to reverse any credit issued to customer: (i) for any product not returned after authorization and request by Fisher; or (ii) if, upon return, such product is determined by Fisher not to be defective.

(a) Products that may be returned for full credit:

1. Products not supplied in accordance with customer's orders.
2. Products that are defective at the time they are shipped to customer.

(b) Products that may be returned for partial credit: Products ordered in error (unless identified in sub-paragraph (d) below as not acceptable for credit). Returns under this sub-paragraph (b) must be returned at customer's risk and expense and are subject to a 15% restocking charge. The application of this charge will depend on the circumstances. Products that must be returned by Fisher to the manufacturer for inspection, reworking or refurbishing will, at all times, be subject to a charge equal to that imposed upon Fisher by the manufacturer. Products returned in such condition that they require only repacking for return stock will be subject to a 15% handling fee.

(c) Products that have been authorized for return must be securely packaged and reach Fisher without damage. Any cost incurred by Fisher to put products in marketable condition will be charged to customer. Products containing hazardous materials that have been authorized for return must be packed, labeled and shipped in accordance with regulations governing transportation of hazardous materials and any other applicable requirements, laws and regulations.

(d) The following products may not be returned to Fisher and are not eligible for replacement or adjustment (unless they are products not supplied in accordance with customer's orders or that are defective at the time they are shipped to customer).

1. Products that have been discontinued.
2. Products that are personalized or customized.
3. Products not purchased from Fisher.
4. Refrigerated or temperature-controlled products.
5. Products that are outdated, shelf-worn, used, defaced or otherwise unsuitable for return to stock and resale as new.
6. Reagents, diagnostics or chemicals that have been opened.
7. Products with expiration dates less than sixty (60) days from date of return.
